Hi *|FIRST_NAME|*,

As a partner in the Tennessee Alliance for Equity in Education, our team at ALLMemphis is excited to take part in today's Day of Education Advocacy. The Tennessee Alliance for Equity in Education is a network of civil rights, social justice, and education organizations and advocates working to promote educational equity for underserved students. The Alliance is convened by [The Education Trust in Tennessee](#), which seeks to ensure every child across the state has access to a world-class education. We are a combined force of over 75 organizations and 300 individuals committed to closing opportunity gaps and expanding excellence in our communities.

Together, we believe in funding and resource equity; increasing educator diversity; and supporting students' social-emotional and academic development. ALLMemphis is proud to advocate with the Alliance today. #WeAreHere because we want to close the opportunity and achievement gaps in P-12 and beyond.

In partnership,
